Dear Mrs. Diggs,

Thanks so much in advance for your kind help and cooperation in promptly solving these small, but very important mistakes on my patent.

As per our prior conversation, in addition to the address correction mentioned in my prior fax, the following errors require of your kind attention also.

1) Column 7, line 2:

reads: ...compresses absorbing a good portion of the "enemy" ...
it should read....compresses absorbing a good portion of the energy ...

2) Column 9, line 55:

reads:as pictured on the "invention's" prior U.S. Pat No. 5,735,070
it should read:as pictured on the inventor's prior U.S. Pat No. 5,735,070

3) Column 10, line 42:

it reads:Upon this happening, the count "would" automatically will reset to the default load count.
it should read:Upon this happening, the count ~~would~~ automatically will reset to the default load count.

Thanks again Mrs. Diggs, I really appreciate your good will in helping me with these issues.

I will remain awaiting to receive a confirmation that you received this email and hear from you in due time about the corrections being applied.

Best regards,

Eduardo C. Vasquez
Inventor of the abovementioned patent.

Attn: Mrs.Mary Diggs

Ref: Address mistake in published patent

Dear Mrs. Diggs,

As per our conversation, this letter is to formally request to your department to kindly correct the mistaken information regarding my address as it appears on my Patent # 7,509,766, that became electronically published yesterday 03/31/09 at the USPTO website.

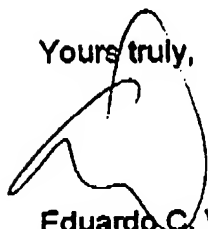

Wrong information: Eduardo Carlos Vasquez, 107 Mendoza Ave, Coral Gables, FL (US) 33134

Correct information: Eduardo Carlos Vasquez, P.O. Box 145187, Coral Gables, FL (US) 33134-5187

Please kindly replace the "wrong information" with the "correct information" as printed above.

Thanks in advance for your most valuable help in correcting this mistake.

Yours truly,

Eduardo C. Vasquez
